About Rotary International and the Rotary Club of San Diego:

Rotary International, the world's first service club, was founded on February 23, 1905, by Paul P. Harris and three associates. Today, Rotary International, whose motto is "Service Above Self," includes more than 1.2 million members participating in over 33,000 Rotary clubs in more than 200 countries and territories. The Rotary Club of San Diego, founded in 1911, is the fifth largest club in the world, and has a membership of more than 550 of San Diego's business and community leaders. The Rotary Club of San Diego, also known as Club 33, has more than 60 volunteer committees that annually provide over \$150,000 of financial, material and 11,000 hours of human support to many charitable causes that benefit the young, the elderly and our military families.
