“Health Care Reform, where is it, and what might it look like?”

Mike Murphy
President/CEO
Sharp Health Care

With the House bill passed and the Senate bill scheduled to begin debate on November 30, 2009, Health Care Reform is at the center of our attention. Mike will highlight the status of the current bills, the similarities and the differences, and how the process might transpire over the next 60 to 90 days.

The employees, physicians, and volunteers of Scripps Mercy Hospital salute the Rotary Club of San Diego for your outstanding service to the community.

Founded by the Sisters of Mercy, Scripps Mercy Hospital has served our community for almost 120 years.
